

2023-2024 1st - 2nd Grade's School Supply List

Dear Parents,

Below I have listed this year's school supplies. I am looking forward to an exciting new year. We will be sharing supplies this year. You will also note that rainboots are on the supply list. After rainy days, students are allowed to stomp through puddles, only if they wear their rainboots to school that day. Have a great rest of your summer!
